

QUALITY ENHANCEMENT PLAN

A cornerstone of the mission at Piedmont Technical College is to transform the lives of students by providing the access and support needed to attain their career and educational goals. A Quality Enhancement Plan, the **CAREplan**, has been developed to further that mission by providing a strengthened advising platform for students in the Health Care Certificate. The CAREplan has been designed to promote success for students seeking careers in health care through the redesign of the advising process. Participants in the CAREplan will:

- **Connect** with an advisor and develop a plan that leads to program readiness
- Learn to **Access** the necessary resources to stay on course
- Follow the degree plan to **Reach** program readiness
- **Engage** with a career in health care
