

# STUDENT CONSUMER INFORMATION

## Campus Safety

Under Title II of Public Law 101-542, the college is required to provide information regarding campus police and security policies and report the number of on-campus criminal offenses during the most recent calendar year and during the two preceding calendar years.

The Campus Crime Reports are available on the Campus Police and Security Web page at [www.ptc.edu/campuspolice](http://www.ptc.edu/campuspolice) (<http://www.ptc.edu/campuspolice/>).

Piedmont Technical College provides students and visitors with a safe, secure environment. A crime-free environment requires the awareness and vigilance of faculty, staff, students and visitors.

Periodically, the Campus Police and Security Office schedules safety/awareness meetings to report on-campus security procedures and practices and to encourage students and employees to take responsibility for their own security and the security of others. Handouts reflecting security practices and reports of crime statistics are available.

Piedmont Technical College's Title IX Coordinator for all student-related matters is Tamatha Sells, Dean of Student Services, located in the Office of Student Affairs and Communications in Room 244A. ## Campus Police and Security Office

The Campus Police and Security Office ensures that the proper atmosphere for maximum learning is provided through protection of student rights, property and individual freedoms while enforcing institutional policy in the areas of traffic control and crime prevention.

The office assists in emergency medical aid, emergency transportation to medical facilities, parking control and security.

Entrances to college facilities are open from 7:30 a.m. until 11 p.m. Monday through Friday and on Saturday and Sunday on an as-necessary basis, which differs each semester. Special provisions are made by Campus Police and Security to assist each instructor in meeting the needs of his/her students by making lab areas available upon the instructor's request. Access after normal hours is limited to pre-approved visits only, by notifying the Campus Police and Security personnel on duty by calling (864) 941-8000. Faculty and students are discouraged from being on campus when it is closed. College policy emphasizes that keys be issued on a need-to-have only basis. All keys are contained in a secure key control cabinet.

The college Campus Police and Security Office is staffed with four full-time campus police officers, of which three are commissioned as state constables. Contract security officers are employed to provide campus safety and security coverage 24 hours a day, seven days a week. The Greenwood County Sheriff's Office is utilized for warrant processing, transporting and housing of any criminal offenders. In the future, local law enforcement substations may be located at some of the college's county campuses.

Faculty, staff and students are encouraged to report all suspicions of, or actual occurrences of, criminal activity and other emergencies. The public may call the Crime Prevention Hotline at (864) 941-8745 to report criminal, safety or related information 24 hours a day. Voice mail is available on this telephone line, and the information will be considered confidential and will be utilized as facts can be established. If

for any reason the Campus Police and Security officer on duty cannot be contacted by use of (864) 941-8000, please call the main switchboard at (864) 941-8324. Faculty, staff and students may, at their discretion, report criminal activity to the Greenwood County Sheriff's Office.

It is the policy of Piedmont Technical College that the sale, consumption or possession of alcoholic beverages or illegal drugs on campus is prohibited, except that the president may authorize the consumption of alcoholic beverages by adult groups in accordance with PTC Policy 8-7-1050. The Campus Police and Security Department is charged with exercising appropriate enforcement authority when either college policy, county ordinances or state laws are violated. Federal violations will be investigated by the proper federal authority.

Excessive noise can result in a citation when the noise generated causes a complaint by the occupants of the campus and/or is found to be of a disruptive type or volume by the officer issuing the citation. The said noise would be of such nature as to be disruptive to the campus environment.

## **New Student Philosophy**

We believe that the success of our mission to transform lives and strengthen communities hinges on the effectiveness of our efforts with our new students. During the critically important first academic year, we will establish a solid educational foundation and begin building strong relationships that will lay the groundwork for future academic, personal, and professional success.

We will meet all new students where they are in life and provide them with the opportunity to achieve their goals, regardless of their social or academic background. From their first point of contact with the college, all the way through graduation, we will provide students with a warm, welcoming environment, and with an individualized education plan that is tailored to their unique needs.

Through a data-driven process of continuous improvement, we will partner with all new students to assess their skills, to understand their needs, and to provide the instruction, tools, resources and support systems enabling them to succeed at our institution. As a result, students will leave us qualified to achieve their career goals, and to become self-directed learners.
