

CAREER PLANNING SERVICES

Career Planning assists prospective and current students at PTC with gaining the skills and knowledge needed to make informed career decisions.

Career Planning Services involves:

- Discovering who you are
- Learning what career options are available
- Specifics about particular careers you may have an interest in
- Your aptitude
- Your goals

Career Planning Services are available in the Student Success Center, Greenwood, Room 101-A, John S. Coleman Administration Building at (864) 941-8356

Appointments are recommended. Services are free.
