Inter Club Council

Students have a voice in campus affairs through the Inter Club Council (ICC). The ICC is a Piedmont Technical College organization composed of one representative of each active and approved student club and organization. The purpose of ICC is threefold: to provide input to the administration and give students a voice in the governance of the college; to help plan events and activities for students; and to provide leadership opportunities for members and other students.

Piedmont Points

The Piedmont Points initiative is a rewards system where students can earn prizes for being involved on campus. Students must sign-in to the event using their PTC ID or P#, the points are tracked for the student and points can be redeemed for prizes throughout the school year. For more info, visit <https://www.ptc.edu/studentlifeevents> (<https://www.ptc.edu/studentlifeevents/>) or contact Kendra LaGreca at lagreca.k@ptc.edu or call (864) 941-8698 . Presidential Ambassadors

Second-year students selected to represent Piedmont Technical College are chosen on the basis of their leadership ability, academic achievement, college involvement and their desire to assist other students. Presidential Ambassadors represent the college at various functions on and off campus each year, speak to groups about their college experience and assist with college activities such as new student orientation and graduation. If you are interested in becoming an Ambassador, visit the Student Success Center or visit the website at <https://www.ptc.edu/pa> (<https://www.ptc.edu/pa/>).
